FOR IMMEDIATE RELEASE

Nighttime Full Closures of Westbound 91 in Corona to Start Sept. 15

Nighttime full closures of westbound 91 at Maple Street in Corona will take place September 15-17 and September 19-20 for the Riverside County Transportation Commission's 91 Project. Closure times are as follows:

- Thursday, September 15 at 10 pm to Friday, September 16 at 4 am
- Friday, September 16 at 11:30 pm to Saturday, September 17 at 7:30 am
- Saturday, September 17 at 11:59 pm to Sunday, September 18 at 8 am
- Monday, September 19 at 10 pm to Tuesday, September 20 at 4 am
- Tuesday, September 20 at 10 pm to Wednesday, September 21 at 4 am

The closures will allow crews to place overhead support structures for construction of the Maple Street Bridge. Lanes will be reduced approximately one hour before the full closures at Maple Street. As a detour, motorists will exit at Maple Street, head north to Pomona Road, head west on Pomona Road and head south to re-enter westbound 91 at Auto Center/Serfas Club Drive.

Motorists should allow extra travel time, follow detour routes, and check real-time traffic information using IE511.org.

The 91 Project is adding regular lanes, tolled express lanes, auxiliary lanes and direct express connectors from the northbound 15 to the westbound 91 and from the eastbound 91 to the southbound 15. Improvements to interchanges, ramps, lanes and surface streets also will be made along the 91 between the Riverside County/Orange County Line in Corona and Pierce Street in Riverside. The new lanes are expected to open during the first half of 2017.
