FOR IMMEDIATE RELEASE

Nighttime Full Closure of the Eastbound 91 at Maple Street in Corona Scheduled for Tuesday, Aug. 9

The Riverside County Transportation Commission's (RCTC) 91 Project will require the full closure of eastbound 91 at Maple Street in Corona from Tuesday, August 9 at 10 PM to Wednesday, August 10 at 5 AM. This closure will allow crews to continue to remove the temporary support structure from the Maple Street Bridge.

Motorists will be directed to either exit Maple Street and re-enter eastbound 91 at the Paseo Grande on-ramp **or** exit Maple Street, follow Sixth Street to El Sobrante Road, head south to Magnolia Avenue, head east to enter Interstate 15 and then head north on I-15 to re-enter eastbound 91.

During these closures, drivers are reminded to plan ahead, allow extra travel time, follow detour signs, and avoid the area, if possible.

The 91 Project is adding regular lanes, tolled express lanes, auxiliary lanes and direct express connectors from the northbound 15 to the westbound 91 and from the eastbound 91 to the southbound 15. Improvements to interchanges, ramps, lanes and surface streets also will be made along the 91 between the Riverside County/Orange County Line in Corona and Pierce Street in Riverside. The new lanes are expected to open during the first half of 2017.

For more information, visit sr91project.info, call the helpline at 877-770-9191, or email sr91project@rctc.org.
