RCTC SR-91 Corridor Improvement Project

Atkinson/Walsh, a Joint Venture formed to design and build Riverside County Transportation Commission's SR-91 Corridor Improvement Project, is currently looking for people with road, bridge and/or heavy civil experience to fill the following positions: **Carpenters, Laborers, Operating Engineers and Cement Masons**. Construction began in 2014 and is expected to continue to 2017.

Qualified candidates will be local union members in good standing. Information and referral to apprenticeship programs can be provided upon request. To apply, please visit our Employee Processing Center at 1011 E. Third Street in Corona from 6:30 a.m. to 3:00 p.m. Rayette Gould is the contact, Rayette.Gould@atkinsonwalshjv.com.

Atkinson/Walsh promotes a diverse workforce and veterans, women and minorities are encouraged to apply. Atkinson/Walsh is an Equal Opportunity Employer.

The project through Corona, CA will add regular lanes, tolled express lanes, auxiliary lanes and direct express lane connectors from the northbound 15 to the westbound 91 and from the eastbound 91 to the southbound 15. Improvements to interchanges, ramps and surface streets also will be made along the 91 corridor.
