### **FOR IMMEDIATE RELEASE**

#### **E. Grand Boulevard at 91 Undercrossing to Close, May 2 – May 9**

As part of the Riverside County Transportation Commission's 91 Project, E. Grand Boulevard under the 91 will close for a week to allow crews to complete roadway widening between Joy Street and Third Street. The closure will begin on Monday, May 2 at 5 am to Monday, May 9 at 5 am. During this closure, motorists can use Main Street as a detour. Joy Street will be closed at E. Grand Boulevard, with local area business access using Harrison Street.

Once work is completed, all lanes and sidewalks will open on E. Grand Boulevard. In addition, Joy Street will reopen in its final configuration with access in both directions from E. Grand Boulevard.

This construction activity is subject to change based on weather, field conditions or other operational factors.

Motorists are reminded to follow detour signs, allow extra travel time, especially to and from the North Main Corona Station, adjust travel plans to off-peak hours, if possible, and carpool or use public transit, when feasible. Remember to patronize local businesses and use the "Shop 91. Shop Local." section of the website for coupon deals.

The 91 Project is adding regular lanes, tolled express lanes, auxiliary lanes and direct express connectors from the northbound 15 to the westbound 91 and from the eastbound 91 to the southbound 15. Improvements to interchanges, ramps, lanes and surface streets also will be made along the 91 between the Riverside County/Orange County Line in Corona and Pierce Street in Riverside. The new lanes are expected to open in 2017.
