In addition, the maximum time for public comment is thirty (30) minutes. Speakers may not yield their time to others without the consent of the CCTF facilitator. Any written documents to be distributed or presented to the CCTF shall be submitted to the CCTF facilitator.

The CCTF, as an advisory task force of citizens, is not subject to Brown Act regulations. Meeting agendas and minutes will be posted on the 91 Project website within 72 hours of meetings. Members of the public needing special accommodation are requested to notify the CCTF facilitator in advance by emailing 91CCTF@rctc.org.
