FOR IMMEDIATE RELEASE

RCTC Announces New Corona Community Task Force for 91 Project

The Riverside County Transportation Commission announced the appointment of a 17-member 91 Project Corona Community Task Force (91CCTF).

The task force is comprised of Corona residents and business owners who submitted applications to serve on the newly-formed committee. Diversity was an important factor in selecting 91CCTF members and the committee, comprised of 10 men and seven women, includes parents of school-age children, retirees, commuters and business owners. Geographic representation within the project corridor also was an important consideration. Seven members are located east of the 91, seven are located west of the 91, and three are located north of Lincoln Avenue.

“This is an important committee for the 91 Project,” said RCTC Executive Director Anne Mayer. “The opportunity to directly engage with members of the community, and to have them provide input to us and share project information with their neighbors, will be a valuable addition to RCTC’s outreach for this highly visible, fast-moving project.”

The 91CCTF will provide a forum for the community and the 91 Project Team to regularly discuss upcoming construction activities within the project limits. Timely, relevant and factual information will be presented by the 91 Project Team. 91CCTF members will have the opportunity to help guide the development of traffic calming measures and detours, provide insight into community concerns and offer ideas and suggestions for the team’s consideration.

The 91CCTF members include:

- MORE -

- Thomas Coelho
- Susan Mason Dana
- Bob Dressler
- Casey Horvath
- Amie Kinnie
- Mark Kozakowski
- Rowena Mendoza
- Christine Mynes
- Jeff O'Dell
- Cynthia Schneider
- Solomon "Sol" Shapiro
- Sandra Simmons
- Jerry Sincich
- Muhammad Sohail
- Wes Speake
- Michele Wentworth
- Frank Zwayne

The 91 Project is adding regular lanes, tolled express lanes, auxiliary lanes and direct express connectors from the northbound 15 to the westbound 91 and from the eastbound 91 to the southbound 15. Improvements to interchanges, ramps, lanes and surface streets also will be made along the 91 between the Riverside County/Orange County Line in Corona and Pierce Street in Riverside. The new lanes are expected to open in 2017.
